Package 1:

UnassignedReferenceException: The variable cameraTransform of Movement has not been assigned.

I should assign the Main Camera to the cameraTransform.
It worked.

Package 2:

No Errors.

Package 3:

No Errors.

Package 4:

Assets\Components\Health_Damage.cs(25,18): error CS1002: ; expected

I should add ; at the end of line 25.
It worked.

Project:

No Errors.
